

“Arguments which completely ignore the rights of the unborn are a requisite of pro-abortion rhetoric (...it is impossible to speak of respecting the rights of a human life one chooses to kill)

By contrast, a truly pro-life ethic respects the right to life of all members of the human family and therefore the health and rights of the pregnant woman are as important as the life of the unborn child.”

Hello!

Welcome to FCLNY's NY Pregnancy Resource Center Guide.

It is our great pleasure to provide this listing of Pregnancy Resource Centers, Maternity Homes and additional support services for women experiencing unplanned pregnancies throughout New York State.

Facing an unplanned pregnancy can be extraordinarily difficult, especially for women with few resources and support. As a pro-life feminist human rights coalition, FCLNY takes seriously the need to support women and children in need. **You are not alone.** For further information beyond this guide, please call us at **(585) 730-7808.**
