Salon

FCLNY Organizes, Moderates and Hosts

We need a way forward into a culture of life and peace.

A salon is a bridge, a meeting of diverse individuals, a method to mend our discourse, an overture of peace.

We gather in a small group in an intimate setting, to share fellowship and speak freely and confidentially on contentious contemporary topics.

Each salon focuses on one hot button issue related to the consistent life ethic: assisted suicide, abortion, war, capital punishment.

Salons are not debates, but an exercise of civil discourse.

IMMEDIATE RESULTS

FCLNY Lobbied Against the Passage of the Pro-Abortion Reproductive Freedom and Equity Grant. This Bill Failed to Pass During NYS 2023 Legislative Session!

The Reproductive Freedom and Equity Grant Program sought to "ensure access to abortion... in [NY] by providing funding to abortion providers... and non-profit organizations whose primary function is to facilitate access to abortion... "

FCLNY Lobbied for the Passage of the Doula Directory. This Bill Became Law During NYS 2023 Legislative Session!

The Doula Directory requires the Department of Health to establish and maintain a Doula Directory on the DOH website. It is well documented that doulas help reduce the rate of maternal and infant mortality and morbidity.
